

Fish Creek & District Primary School

School Council Standing Orders

Purpose of school council

School council is the legally formed body that is given powers to set the key directions of a school. It is the major governing body of the school that, within DET guidelines, decides the future directions for the school and oversees the school's operation.

The legislative framework

School councils operate under a framework provided by the:

- Education and Training Reform Act 2006 (the Act)
- Education and Training Regulations 2007 (the Regulations)
- Individual school's Constituting Order.

Subject to this framework, a school council may regulate its own proceedings.

School council membership

The Constituting Order of *Fish Creek and District Primary School* states the composition of the Council is:

- **10** elected parent members, who represent more than one third of school councillors
- **3** elected DET employee member. The principal who is executive officer is included in this number.
- **0** community members. It should be noted that community membership positions are appointed, rather than elected. DET employees are not eligible for appointment to this category.

Councils are to be between **six and fifteen** members in total size. A school council can alter the size and configuration as long as 75% of the total council (according to the Constituting Order) agree.

Community members have the same voting rights as elected members.

Two people from the same family can self-nominate for school council.

Casual vacancies

Should a casual vacancy occur on council, this vacancy is filled by council co-opting a person from the appropriate category who then completes the rest of the term of office of the retiring member.

Office bearers

The Regulations requires there be at least two office bearers – the president and the executive officer:

- The **president** is elected by all members of school council and can not be a DET employee. The office of president of *Fish Creek and District Primary School* council should not be open to the same person for more than four consecutive years (except when otherwise approved by school council).
- The position of **executive officer** is filled by the principal. The principal is a full member of council with the same voting rights as other councillors.

Other potential office bearers

- The **vice president** is elected by all members of school council. As the vice president may need to chair a meeting in the absence of the president, it is recommended this position should be filled by a non DET parent member or community member.

The term of office for office bearers (treasurer, secretary, vice president, president) is 1 year and for other members (parents, community, staff) is 2 years.

Quorum

A quorum requires not less than one half of school council members currently holding office to be present at the meeting with a majority of members present who are not DET employees. Any parent members on school council who also work for the Department are counted as DET employees for the purpose of a quorum. When counting a quorum at a school council meeting DET parents employed at another school are counted as DET employees **NOT** parents.

A member of the school council may be present in person or by video conferencing or teleconferencing.

Tied votes

When a vote is tied (i.e. an even number of people are for and against the decision), the president has the casting or deciding vote. It is therefore important that when the president offers a personal opinion on an issue, this is clearly stated. Councillors need to be able to clearly distinguish between the president's personal views and when a ruling is made as president of school council.

Proxies and voting procedures

Eligible members of council must be present at a meeting to be part of the decision making process. There is no provision in either the Act or the Regulations for proxies. Therefore, if someone is unable to attend a meeting, another person cannot attend and vote on their behalf.

In the event of a vote being tied, the chairperson of the meeting (usually the president) has the casting vote.

Absences

In the absence of the president, the vice president must chair the school council meeting. If neither the president nor vice president is present, councillors may elect a member to chair the meeting. This person should be a non DET employee. Regular attendance is required, if a councillor is absent for 3 consecutive meetings they will be asked to resign their position. If a school council member is unable to attend a meeting they **CAN NOT** ask another person to attend and vote on their behalf.

School council meetings

School council must meet **8 times** per year. Unless otherwise decided, school council meetings will be held **twice a term on the 2nd Tuesday of the month, from 7.30 – 9.00pm.**

If members are unable to attend a meeting, they are expected to send their apology prior to the meeting.

School council must also hold at least one public meeting each year to report to the school community on its activities and to present a statement of the school's income and expenditure for the previous calendar year.

An extraordinary meeting may be held at any time decided by council, provided all members are given prior notice of the date, time, place and purpose of the meeting. At least one week's notice is preferable if an extraordinary meeting is to be held.

Open and closed meetings

While all school council meetings would normally be open to the school community, there may be times when the council meeting, or part of the meeting needs to be closed to protect confidentiality or privacy or for another valid reason. Should this occur, school council will need to approve a recommendation (called a "motion") to go into a "closed" session. School council should then go back into open session once the topic under discussion has been concluded.

Visitors or observers can be present with the agreement of the principal and a decision by school council, but they must direct all their comments through the chairperson. Visitors have no voting rights.

Extensions of meeting times

If business has not been concluded by the scheduled closing time for the meeting, the chair should ask councillors whether they wish to defer the rest of the business until the next meeting.

Conflict of interest

If a school councillor has a direct financial interest in a matter being considered before council, that councillor:

- Must declare the conflict of interest
- Must not be present during the discussion unless invited to do so by the president
- Must not be present when a vote is taken on the matter
- May be included in the quorum for that meeting.

Agenda and notes

The agenda, minutes from the previous meeting and any notes for the meeting, such as sub-committee minutes, president's report, principal's report, will be distributed to all councillors no less than one week before the meeting.

Business arising from previous minutes and all sub-committee recommendations will be itemised in the agenda.

Minutes

All decisions of council shall be recorded as minutes. Also included in the minutes are the dates and times of the meeting, those present and apologies, and an overview of key discussions.

When school council minutes are submitted for confirmation, only questions regarding their accuracy as a record of the meeting are to be raised.

Once the minutes have been accepted as a true and accurate record of the meeting, they are to be signed by the school council president or the person who chaired the meeting.

Business arising from the minutes is dealt with after the minutes have been confirmed.

School council decisions

Decisions of ***Fish Creek and District Primary School*** council will be by a majority of those eligible to vote and who are present at the meeting, where the majority are non DET members.

Fish Creek and District Primary School council will try to reach decisions by consensus but when that is not possible, a count will be taken with the number for and against recorded in the minutes.

Voting will normally be by a show of hands, but a secret ballot may be used for particular issues.

School council principles

School councillors will at all times adhere to the "***School Council Code of Conduct***"
