Principal's Message

Firstly, I just wanted to say a big thank you to all that were involved in our 1st ever Colour Run last Friday. It was a fantastic event and it was great to see so many happy faces running around our school yard. It has been an extremely busy year and sometimes its great to do an event that's "just for fun". Thank you to our PnF group and our JSC for organising the day. A massive thank you also to the parents that set up the course. It was amazing to see what they had created after school on Thursday. A special thanks to Ms Giliam for driving the event and working out all the logistics. The event did however end with the principal being attacked with slime from every direction - I look forward to getting my revenge on all of those students later in the year.

The production has well and truly ramped up, with two whole school rehearsals this week. I was absolutely amazed at the standard of the performance when I snuck into their first rehearsal. Students are doing wonderfully and it looks set to be a great production. Next week we are scheduled to have a full dress rehearsal on Thursday followed by our matinee and evening shows on Friday.

Can you please make sure that you have completed the Signmee or contacted the office in regards to the number of tickets required for the performances. Thank you must go to Mrs Murray and Mr Farrell for all the extra work they have put into the production.

Looking at the weather yesterday we definitely made the right decision to postpone the grade 3/4 excursion to Walkerville. The excursion has now been moved to Wednesday the 6th of December, hopefully it is a nice and sunny day for it.

A final reminder that TOMORROW is a student free day. Staff will be busy at school working on your child's school reports.

Cheers,
Dale

MARC Library Book Returns

As we are approaching the end of 2023, it is now time for students to return their MARC library books. This week, students will be coming home with a bright yellow slip of paper listing the items they have out on loan. Could you please help your child/ren to locate their books and return them to school. The books are identifiable by a green dot on the spine, a barcode on the back and a sticker which reads 'Tarwin Valley MARC' or 'Fish Creek MARC' on the front cover. With thanks for your cooperation,
Sophie Collcott and Jeannette Johnson
