Dear Parents/Guardians,

Fish Creek & District Primary School is looking forward to a great year of teaching and learning and would like to advise you of our schools voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum We want to assure you that all contributions are voluntary and we invite all families to contribute via the Curriculum Contribution (previously Essential learning Items). The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your financial support allows us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the ability to provide additional resources giving our students opportunities that are above and beyond what is required in the standard curriculum and what is provided for by Government funding. Curriculum Contributions allow us to provide subsidies for some of our camps, excursions and sports days, together with our swimming program. Many other programs are made available because of your contributions including Kitchen Garden, Welfare and MARC Library, along with additional resources for our Art, Indonesian, Music, Drama & PE Programs. In past years we have been able to continue to update our resources within our Literacy & Numeracy, Mathematics and Technology areas due to Curriculum Contributions from families. All of these programs running alongside the traditional classroom teaching are imperative so as to provide an effectively balanced and rigorous overall education for your children.

For further information on the Department's Parent Payments Policy please see the one-page overview attached and please contact the office if you would like any clarification or any further information.

Yours sincerely,

Dale Banks
